

**O R D E R**

National Informatics Centre has developed a software for the online submission of requests for Import Permits for Bulk Spirit.

The software will be rolled out throughout West Bengal on 10-12-2011.

A series of training workshops will be held from 29-11-2011 to 02-12-2011 at the computer training facility at the Excise Directorate, in order to acquaint Excise Officers and Excise Licensees with the new system

The Collectors of Excise – Kolkata (North) and Kolkata (South), and the Superintendents of all other relevant districts shall direct the licensees of the Country Spirit / CFS / FL manufacturing units under their control, to send their representatives to attend the training-workshops, as per the schedule annexed with this order

The Collectors of Excise – Kolkata (North) and Kolkata (South), and the Superintendents of all other relevant districts shall also direct the officers in charge of Country Spirit / CFS / FL manufacturing units under their control, to attend the training workshops, as per schedule annexed with this order.

In some cases, it may be possible that officers who have been posted at certain CS / CFS / FL manufacturing units in terms of 506-EX dated 3-11-2011, are yet to join the units. In such cases, the Collectors of Excise / Superintendents of Excise shall nominate one officer each from their respective districts to attend the training, and that officer shall be responsible for transferring the learning acquired during the course, to the officers who shall be joining the units in terms of 506-EX dated 3-11-2011.

The training courses will be held under the aegis of the 'Training for All' programme currently underway at the Excise Directorate with the assistance of the Administrative Training Institute – West Bengal, and Department of Personnel & Training – Government of India.
