An initiative has been taken by the Excise Department, Government of West Bengal to collect all excise duties and fees through an online payment mechanism. The mechanism is designed to make payment of duties and fees hassle-free and convenient for the Excise licensees, and it would also provide an easy way for Excise officers to verify and reconcile Excise revenue receipts

At present, the State Bank of India is providing the facility of online payment of Excise duties and fees, through their e-payment gateway.

All persons holding licenses for the following categories of licenses, should be directed to deposit the excise duties and fees through the e-payment gateway of SBI on and from 01.07.2011:

- 1) Foreign Liquor Manufactories
- 2) Country Spirit Manufactories
- 3) Breweries
- 4) Distilleries
- 5) Coloured and / or Flavoured Spirit Bottling Plants
- 6) Country Spirit Distributorships
- 7) Foreign Liquor Bonded Warehouses
- 8) Foreign Liquor 'Trades'

Persons holding licenses for the retail sale of intoxicants should also be encouraged to use the system for the payment of Excise duties and fees.

It is expected that all excise officers shall take the initiative for implementation of the system of e-payment of duties and fees at their respective jurisdiction.

For any clarifications regarding the system, the Computer Cell of the Excise Directorate may be contacted at dcit.wb-excise@nic.in.
